- 22.02.13 **Victorian branch annual scientific meeting, Lorne, Australia.** Presentation: The effect of calcaneus osteotomies on the ankle joint- a cadaveric study.
- 20.12.12 **Tasmanian Foot and Ankle meeting, Launceston, Tasmania.** Invited guest lecturer. Joint preserving treatment options in ankle arthritis.
- 22.11.12 **Orthopaedic Journal Club Melbourne, Australia.** Invited Guest lecture. Failed Ankle Arthroplasties- how to salvage them.
- 13.10.12 **EFORT Instructional Course, Geneva.** Joint preserving surgery in ankle arthrosis
- 27.-28.09.12 **Hindfoot Days Liestal.** Presentations: Anatomy and biomechanics of the hindfoot; TAR-Preoperative Evaluation; Supramalleolar Osteotomies- principles and techniques; Z-osteotomy of the calcaneus; Triple arthrodesis through a single medial approach, Tibiocalcaneal arthrodesis (plate fixation); The varus ankle.
- 20.-21.09.12 **4th Foot and Ankle Symposium, University of Zürich.** Malunited ankle fractures; Infections of the foot and ankle – A logical approach to solve the problem; Missed medial ankle instability; Peritalar instability: How to recognize and treat the problem; Neglected hindfoot valgus in total ankle replacement; The septic total ankle replacement: My approach; Secondary treatment of Lisfranc injuries and sequels
- 23.08.12 Hands on **Arthroscopy Course, Swiss Endos, Fribourg, Switzerland.** Anterior ankle arthroscopy. Portals, Tips and Tricks.
- 31.05.-03.06.12 **GOTS Experts meeting ‘Ankle instability’, Spreewald, Germany.** Coordination of the ‘surgical reconstruction’ group. Presentation: Ankle instability.
- 23.05.2012 University of Basel. Lecture on the anatomy and disorder of the foot and ankle, 1st year’s students.
- 26.-27.04.2012 Wet Lab. Elective Foot and Ankle Surgery, Basel, Switzerland. Faculty member.
- 20.04.2012 **Swiss Foot and Ankle Society (SFAS) Annual meeting. Lucerne, Switzerland.**

- Presentation: Surgical options in hindfoot instability: Bony / Tendon procedures.
- 29.-30.03.2012 **Founding member of the ,European Foot Club‘, Lyon, France.** Presentations: The economic impact of ambulatory surgery, Economic changes in Foot and Ankle surgery.
- 23.-24.02.2012 **Deutsche Assoziation für Fusschirurgie Jahreskongress, Dresden, Deutschland.** Chairman: Total ankle replacement in special conditions, Total ankle replacement. Presentations: Total ankle replacement in varus ankles, The biomechanical effect of supramalleolar deformities on the ankle joint, Treatment of asymmetric ankle arthritis, Supramalleolar osteotomies and total ankle replacement.
- 02.02.2012 **GOTS Meeting Basel.** Presentation: Clinical examination of the Achilles tendon, Basel, Switzerland.
- 28.-31.01.2012 **Practical Foot Surgery. 15th Surgical skill course** Forefoot. Luzern, Switzerland. Faculty member, Moderator. Presentations: Lisfranc pathologies driven forefoot disorders, Sesamoid fractures, ORIF in Jones fractures, The metatarsal osteotomies did not heal after a Helal procedure, can they be fixed?
- 29.11.2011 4th years medical students, University of Basel. Injuries of the ankle and foot.
- 18.11.2011 Gait and Function- Symposium. University children’s hospital Basel. Biomechanics and dysfunction of the Tibialis posterior muscle
- 11.11.2011 **Efort Instructional Course, Basel, Switzerland.** Joint preserving surgery for valgus ankle / hindfoot arthritis.
- 09.11.2011 **French orthop. Soc. Annual meeting (SOFCOT), Paris, France.** Effet néfaste des désaxations sur les surfaces articulaires. Analyse biomécanique des pressions articulaires. Algorithme décisionnel
- 01.10.2011 **Table ronde arrière-pied, Paris, France.** Presentations : Effet néfaste des désaxations sur les surfaces articulaires. Analyse biomécanique des pressions articulaires. Algorithme décisionnel
- 29.-30.09.2011 Hindfoot Course Kantonsspital Liestal, Switzerland. Presentations: Anatomy and biomechanics of the hindfoot. Total ankle replacement- preoperative evaluation. Peroneal tendon disorders. Joint preserving treatment options. Triple arthrodesis through a single medial approach. Tibiocalcaneal arthrodesis- plate fixation. The varus ankle.
- 09.09.2011 **3rd Foot and Ankle Symposium, University of Zürich.** Triple arthrodesis- medial approach. Basic principles of joint preserving surgery. Surgical treatment of the varus ankle.
- 13.-16.07.2011 **AOFAS Summermeeting, Keystone, CO, U. S. A..** Scientific committee and moderator. Presentations: Classification of asymmetric osteoarthritis and risk factors for

- treatment failure after supramalleolar osteotomies. Supramalleolar osteotomies for the treatment of overcorrected clubfoot deformity
- 07.06.2011 Ortho-Kränzli Basel. Presentation: Etiology and treatment of asymmetric ankle joint arthritis
- 16.05.2011 University of Basel. Lecture on the anatomy and disorder of the foot and ankle, 1st year's students
- 13.05.2011 **Swiss Foot and Ankle Society (SFAS) Annual meeting, Biel.** Moderation and presentation: Pathologies of the Tibialis anterior tendon
- 17.-18.03.2011 **Integra Ankle days, Lyon, France.** Faculty member. Presentations: TAR: Indications and contra-indications; Salvage of ankle prosthesis: osteotomies, arthrodesis; Principles of osteotomies; How to approach a varus ankle; Ankle arthrodesis
- 12.03.2011 **Master di II livello in Obiettivi formative Chirurgia del Piede. Rome, Italy.** Presentations: Total ankle replacement- my experience; Salvage procedures for failed total ankle replacements.
- 19.02.2011 **American Orthopaedic Foot Ankle Society Annual Speciality day meeting (AAOS San Diego, CA, U. S. A.).** Presentation: Ankle fusions: Tips and pitfalls.
- 23.-26.01.2011 **Practical Foot Surgery. 13th.** Faculty member, Moderator. Presentations: The Cobb transfer; Principles of Supramalleolar Osteotomies and my strategy; Triple Arthrodesis-medial approach; My worst case solved with an ankle arthrodesis; The patient is walking on the intramedullary nail- now what?
- 02.12.10 Tutorial course 4th year medical students, University of Basel.
- 18.10.10 **2nd Foot and Ankle Symposium, University of Zürich.** Medial Ankle Instability Diagnosis and Management; Posttraumatic Ankle Osteoarthritis; Joint Sparing Procedures -The Role of Osteotomies.
- 16.11.10 6th years medical students, University of Basel: Sports injuries: tendon problems
- 04.11.10 Orthopaedic resident training program, University of Basel: Calcaneus fractures, Achilles tendon ruptures
- 07.10.10 Tutorial course 4th year medical students, University of Basel.
- 28.09.10 Orthopaedic Meeting, Hospital of Langenthal. The role of osteotomies in reconstructive hindfoot surgery.
- 12.09.10 **Annual Meeting of the China Foot and Ankle Society, Wenzhou, China.** Presentation: Treatment of OA in the Ankle Joint.
- 11.09.10 **Annual Meeting of the Chinese Trauma Association, Shanghai, China.** Presentation: Sequels and Treatment of Ankle Fractures.
- 09.09.10 **Meeting of the Shanghai Foot and Ankle Group, 6th Peoples Hospital, Shanghai, China.** Symposium and Presentation: Sequels and Treatment of Ankle Fractures.

- 17.08.10 Annual Travelling Fellowship of the Hamblyn Foundation. University of Basel.
Guest lecture for Prof. Nunley: Supramalleolar Osteotomies Biomechanical Background and Clinical Results.
- 08.07.10 **American Orthopaedic Foot and Ankle Society Summermeeting, Washington D. C., U. S. A..** Presentation: Supramalleolar Osteotomies: Biomechanical Background and Clinical Results
- 10.-11.06.10 Intermediate training course on HIntegra® ankle replacement, Liestal, Switzerland. Presentations: Salvage of ankle prostheses: Osteotomies, Arthrodesis; Principles of osteotomies; How to approach a varus ankle; Ankle arthrodesis; Septic arthritis: contraindication for TAR?; Does hindfoot arthrodesis affect TAR?
- 01.06.10 Instructor for the dissection course on the anatomy of the lower limb, University of Basel, 1st year students
- 21.05.10 University of Basel. Lecture on the anatomy and disorder of the foot and ankle, 1st year's students
- 05.05.10 **HIntegra 10y anniversary meeting, Lyon, France.** Presentations: Ankle replacement together with knee replacements in the same time; Total ankle replacement in severe leg deformity
- 09.04.10 16. Annual meeting of the **German Foot and Ankle Society (D.A.F.), Frankfurt a. M..** Presentation: Revisionarthroplasty: Design problems of the tibial component
- 23.-26.01.10 Faculty member, Moderator Surgical Skill Course Forefoot Luzern.
Presentations: Lisfranc pathologies driven forefoot problems; Dorsiflexion Osteotomy 1st cuneiform; Sesamoid abnormalities; Stress fractures of the Metatarsals; Metatarsal osteotomies did not heal after a Helal procedure – can they be fixed?
- 11/09 University of Basel. Lecture on Joint Dislocations, 4th year's students
- 10/09 Advanced Trauma Training, Synthes Oberdorf. Lectures and practical exercises on: Tibial and fibular shaft fractures; Pilon fractures; Talus fractures; Calcaneus fractures; Ankle fractures; Midfoot fractures
- 10/09 Hindfoot Course Kantonsspital Liestal, Switzerland. Presentations: Preoperative Evaluation in TAR; Salvage of painful TAR by osteotomies around the ankle; Principles and technique of supramalleolar osteotomies; Treatment of acquired flatfoot deformity stage II; Triple arthrodesis through a single medial approach; Calcaneal osteotomies; How to approach the varus hindfoot
- 09/09 **Total ankle replacement symposium, Helsinki, Finland.** Co-Organizer.
Presentations: Indications: TAR vs ankle fusion; Anatomy and biomechanics in

- TAR; Arthrodesis after TAR; Supramalleolar Osteotomies
- 09/09 **International Foot Symposium, University Hospital of Zurich.** Presentation: Ankle arthrodesis
- 09/09 **Fortbildungstag der SGO, Bern.** Presentation: Supramalleolar Osteotomies: Principles and Technique
- 07/09 **AOFAS Summer meeting, Vancouver, Canada.** Poster presentation: Supramalleolar OT for varus ankles
- 07/09 Faculty member of the **Pre Course meeting AOFAS in Vancouver, Canada.** Presentation: Supramalleolar Osteotomy and Total Ankle Arthroplasty for Deformity
- 06/09 Symposium for Prof. Katthagen, Travelling Fellow, Liestal. Presentation: Asymmetric Osteoarthritis of the ankle joint
- 03/09 **Effort congress, Vienna, Austria.** Co author: Presentation: Subtalar and talonavicular arthrodesis through a single medial approach for the correction of severe plano-valgus deformity
- 05/09 University of Basel, 1st year med. School: Klinische Untersuchung Biomechanik - Fuss
- 04/09 **XVIII Meeting of the Argentinean Foot and Ankle Society, Carilo, Buenos Aires.** Presentations: Total Ankle Replacement: Biomechanical Principles; Medial ankle instability; Experts round: Total ankle replacement- my experience; Ankle fusion with an anterior double plate
- 03/09 **Harlachinger Fusskurs, München, Germany.** Presentation: Management of lateral ankle instability; Supramalleolar Osteotomies. Hands on Cadaver course: Surgical techniques in hindfoot surgery
- 03/09 Hindfoot course Liestal. Presentation: Salvage of ankle prosthesis: Osteotomies; Salvage of ankle prosthesis: Osteotomies
- 02/09 **Annual meeting of the AOFAS, Las Vegas, USA.** Presentation: Modified triple fusion through a single medial approach for the correction of hindfoot deformity
- 02/09 **Annual meeting of the AAOS in Las Vegas, USA.** Scientific exhibits: Modified triple fusion through a single medial approach for the correction of Hindfoot deformity; Supramalleolar osteotomy for the correction of varus Hindfoot deformity
- 01/09 Faculty member Foot course Oberdorf. Presentations: Anatomy of the medial Hindfoot; Osseous balancing of the hindfoot-principles and my strategy; Masters cases-balancing the hindfoot; Complex hindfoot reconstruction-The varus ankle

- 01/09 Orthopaedic resident training program, University of Basel: Supramalleolar Osteotomies
- 12/08 Total ankle replacement users meeting, Liestal. Presentations: The Liestal experience-supramalleolar osteotomies; Arthrodesis for failed total ankle replacement
- 12/08 Course on Advanced Fracture Management, **AO-Centre in Davos, Switzerland:** Operative alignment corrections of the foot
- 11/08 Hindfoot training course, Liestal. Presentations: TAR, Possibilities and limits; Supramalleolar osteotomy-indication and planning; Supramalleolar osteotomy- technique; Ankle fusion- technique and results; Triple Arthrodesis- indication and principles; Triple Arthrodesis- techniques and Results; Advanced hindfoot reconstruction- how to approach the varus ankle
- 11/08 **1st Swedish hindfoot meeting, Stockholm, Sweden:** How to stabilize the varus unstable hindfoot; Treatment of asymmetric ankle arthritis
- 11/08 Annual meeting of the central **Swiss foot and ankle society, Lucerne:** The anatomy of the foot

- 09/08 **Swiss trauma days, Biel:** Invited guest lecturer: Squeals and treatment of Ankle fractures
- 07/08 **University of Dallas, U. S. A.:** Guest lecture: The varus hindfoot
- 07/08 **University of Texas, Houston, U. S. A.:** Guest lecture: TAR – Supramalleolar Osteotomies
- 07/08 **Foot and Ankle Center, Columbus, Ohio, U. S. A.:** Guest lecture: The varus hindfoot
- 07/08 **University of Toronto, Canada:** Guest lecture: TAR - Supramalleolar Osteotomies
- 07/08 **Foot and Ankle Club Meeting Chicago, IL, U. S. A.:** Guest lecture: TAR - Supramalleolar Osteotomies
- 06/08 Faculty member of the **Pre Course meeting AOFAS in Denver, USA**
Presentation: Treatment of the neuropathic ankle with plates and screws.
AOFAS Summermeeting: Poster presentation: Is revision arthroplasty feasible For failed total ankle protheses? Workshop with the Integra group:
Supramalleolar Osteotomies; Ankle arthrodesis
- 05/08 **1st Saudi Symposium on Foot and Ankle disorders, Rhiad, Saudi Arabia.**
Invited guest lecturer: The Anatomy of the foot and Ankle; Arthritis of the Ankle and Surgical Treatment; Total Ankle Arthroplasty, HIntegra System;

- Ankle and Mid-Foot Arthrodesis; Workshop on total ankle replacement
- 04/08 **DAF, Coburg, Germany** (Annual meeting of the German Foot and Ankle assoc.). Invited guest lecturer: Joint preserving procedures in ankle joint OA
- 02/08 **TAR Meeting Hannover, Germany.** Faculty member. Presentations: Supramalleolar and calcaneal osteotomies; The anatomy of the hindfoot; How to treat the varus ankle
- 01/08 Faculty member Foot course Oberdorf. Presentations: Naviculo-cuneiform Instability; Varus-hindfoot driven forefoot problems; Metatarsal stress fractures
- 11/07 Int. advanced hindfoot meeting, Liestal. Faculty member. Presentation: TAR – Supramalleolar Osteotomies
- 09/07 Invited guest lecturer to the **Swedish National Orthopaedic Associations annual Meeting in Umea, Sweden:** The anatomy of the medial hindfoot
- 07/07 **Summer meeting of the American orth. Foot and Ankle Soc. In Toronto, Canada:** Presentation on the Cobb Procedure. Poster: Triple arthrodesis in rheumatoid arthritis- a retrospective long-term study of 32 cases
- 06/07 Anatomical and clinical aspects of the foot: University of Basel, 1st year medical school
- 05/07 Poster at the Swedish Ass. For Rheuma Surg.: Triple arthrodesis in rheumatoid arthritis- a retrospective long-term study of 32 cases
- 04/07 **Rückfussymposium Straubing, Germany.** Presentation: Total ankle replacement- state of the art
- 04/07 **Annual SFAS Meeting Zürich.** Invited guest lecturer. Current Concepts in the Treatment of Calcaneus Fractures
- 03/07 **Annual meeting of the AAOS in San Diego, USA.** Presentation: Conversion of ankle fusion into a total ankle replacement. Poster: Triple arthrodesis in rheumatoid arthritis- a retrospective long-term study of 32 cases
- 01/07 Faculty member Foot course Oberdorf. Presentations: Achilles tendon Ruptures; The anatomy of the medial hinfoot
- 09/06 **12th Hands-on Trauma course in Strassbourg, France.** Presentation: TAR in posttraumatic ankle arthritis
- 09/06 **EFFAS, Prague:** Organisation and presentation of the workshop on tibio-talar-calacaneal fusions with the pantanail
- 09/06 **EFFAS, Prague:** Invited guest lecturer and faculty member. Presentation: Treatment of chronic lateral ankle instability
- 09/05 **IFFAS, Naples, Italy:** Invited guest lecturer and faculty member
Presentation at the Symbiosa: Minimal invasive Surgery of the foot and ankle

- 06/05 **ESSKA, Lissabon:** Invited guest lecturer for the symbiosa: Sequelaes of ankle fractures- solutions in young athletes
- 06/05 **EFFORT 2005, Lissabon.** Presentation: Evaluation of radiological hindfoot measures
- 02/05 Instructional Course For total ankle replacement, **Henriettenstiftung Hanover, Germany:** Indications and contraindications in total ankle Replacement; Techniques in total ankle replacement
- 10/04 Rotenburger Symposium on **Hindfoot Surgery, Rotenburg, Germany:** Indications, contraindications and technique in total ankle replacement
- 10/04 Common Congress of the **Swiss Foot and Ankle Society (SFAS) and the Swiss Association for Sportsmedicine, Locarno, Switzerland:** Reconstruction in posttraumatic posterior tibial tendon insufficiency with an accessory navicular bone tear off
- 09/04 Organisation of the **Total Ankle Replacement Meeting, Stockholm, Sweden.** Presentations: Indications and contraindications in total ankle replacement; Techniques in total ankle replacement
- 09/04 Annual congress of the Swiss Orthopaedic Association, Montreux, Switzerland: Total ankle replacement in Rheumatoid Arthritis
- 06/04 **European Rheumatoid Arthritis Surgical Society (ERASS) Meeting in Lund, Sweden:** Total ankle replacement in patients with rheumatoid arthritis
- 01/04 **Annual Swedish Foot-surgeons meeting in Kalmar, Sweden:** Medial ankle instability - a missed diagnosis?
- 11/03 Poster at the annual congress of the Swiss Orthopaedic Association: Peroneal nerve in growth as a rare complication after high tibial osteotomy
- 2003/2004 Various lectures on Orthopaedics at the University of Basel (Medical students tutorials and the nurses' school)
